The OLD GUARD HOUSE: Originally built as a market and guard house in 1860, it was later converted to a library in 1911. It now serves as the main office and gift shop of the Pendleton Historic Foundation. We are located in the center of the Pendleton Village Green. Stop be for a visit sometime.

ASHTABULA: A historic plantation (circa 1825) and part of the Pendleton Historic District. Located a few miles east of the Town of Pendleton it is a significant example of a "Lowcountry" plantation. It served as a tavern on the stagecoach road from Pendleton to Greenville and now is owned by the Pendleton Historic Foundation acting as an antebellum museum. It is open for tours and events.

WOODBURN: A graceful 4-story plantation antebellum house (circa 1830) located just off of Hwy 76 near Pendleton. Built by Charles Pinckney who was lieutenant Governor of SC. It became a model livestock and race-horse farm. Now owned by the Pendleton Historic Foundation it is open for tours and events.

JENKINS HOUSE & KIRKLEY FARM: Recently purchased by the Pendleton Historic Foundation is currently under renovation. Located on Cherry St. in Pendleton it was built in 1837 by the Civil War surgeon Dr. William Jenkins who used it as his residence and medical office until 1880. It also operated as a farm known as Kirkley Hill. Restoration plans can be seen on our website.

CLASS DISCRIPTIONS

OPEN SHOW DIVISIONS

- a) **Halter classes:** Judged on movement and confirmation specific to the breed. Stallions may only be shown by an adult.
- b) **“Special Friends”:** No entry fee. Offered for special needs riders, who may have physical, developmental, or emotional difficulties. These classes will be walk only. Participants must wear approved ASTM helmet with neck strap. Attire to be according to exhibiting discipline. Saddles may be adapted for rider’s needs. Leader and side walkers allowed. Horse must wear halter under bridle for leader to help in control if needed.
- c) **Western Division:** To be shown at walk, jog and lope unless otherwise indicated by the judge.
- d) **Ranch Division:** To be shown at a walk, trot and lope on both leads; extended gaits may be required in at least one direction. Horses may be required to back. A natural appearance turnout of horse is required.
- e) **GAYP (Go As You Please):** A pleasure class, to be shown both ways of the ring at a walk and “go as you please”. Your choice to trot, canter, pace, running walk or whichever gait your horse does best.

HUNTER/JUMPER SHOW DIVISIONS

- a) **Ground Poles & Crossrail Divisions:** No age limit. Open to riders or horses in their first year of showing over fence. Riders may not cross enter into 2’ or above divisions.
- b) **Green Horse Division:** First year of showing. Horses are limited to two years of showing in this division.
- c) **Hunter Derby:** A two-round format with fences from 2’3” – 2’6”. First round to be typical hunter classic course; second round is a “handy” type course. No in & out. Hand walking and course walk is permitted. Horse and rider must have competed in a minimum of one (1) other division at 2’ or higher at this show to qualify.
- d) **Gambler’s Choice:** A 1 minute timed class with point values assigned to each fence. Higher point values will be assigned to difficult jumps and lower point values to easier jumps. A fence can be jumped in either direction but jumped no more than twice. Fences must be jumped successfully for points. A bonus ‘Joker Fence’ will be assigned and can only be jumped after the timed portion of the course completed. It is set 6 inches over the height of the highest jump in the regular course and has an inflated value. If that jump is knocked down or refused, that value is subtracted from the score of the regular course.
- e) **Sport Horse Division:** Hunter or dressage type horse. Judged on performance, manners, conformation, & suitability as a working sport horse.
- f) **Hunter Hack:** Horse should demonstrate a sensible and well mannered ride both on the flat and over 2 low jumps. Judge to consider way of going, style over fences, with maximum of 30% for work on the flat.
- g) **Jumpers:** The 2(b) format has a jump off. If the rider is clear, they stay in the ring after finishing the first course. The combination waits for the buzzer to start your jump-off. Table II.1 is a speed round. Fastest clear round wins.
