# In Memory of:

#### Robert "Rocky" Obermiller

(July 15, 1959-May 10, 2024) Robert wore many hats. He was the President of WCAHA, Vice-Chairman of SCUEC, a USEF registered technical delegate, Spring Fling and Summer Saddle-Up manager, and more. It was because of Robert's actions, that SCUEC provides a yearly scholarship to a deserving TCTC Vet Tech Student.

**Dennis Claramunt (February 28, 1945-June 24, 2024)** Dennis was a leader within SCUEC with visions to take us into the future. He had a special place in his heart for horses, especially the Thoroughbred. His dedication to the equine community will always be appreciated and remembered

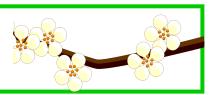

#### Faith Connelly

(April 7, 1944–July 2, 2024) Lover and breeder of the Arabian horse. A long time member of WCAHA, Faith was one of the original SCUEC board members, always supportive of the Spring Fling horse show and Fant's Grove trails.

- d) Hunter Derby: A two-round format with fences. First round, a typical hunter classic course; second round is a "handy" type course. Hand walking and course walk is permitted. Horse & rider must have competed in a minimum of one (1) other division at 2' or higher to qualify.
- e) Gambler's Choice: A 1 minute timed class with point values assigned to each fence. Higher point values will be assigned to difficult jumps and lower point values to easier jumps. A fence can be jumped in either direction but jumped no more than twice. Fences must be jumped successfully for points. A bonus 'Joker Fence' will be assigned and can <u>only</u> be jumped after the timed portion of the course completed. It is set 6 inches over the height of the highest jump in the regular course and has an inflated value. If that jump is knocked down or refused, that value is subtracted from the score of the regular course.
- f) Jumpers: The 2(b) format has a jump off. If the rider is clear, they stay in the ring after finishing the first course. The combination waits for the buzzer to start your jump-off. Table II.1 is a speed round. Fastest clear round wins.

- c) Callers are allowed for ALL Dressage Tests.
- d) Dennis Claramunt Combined Tests: Run in two parts, a dressage test and a timed jumper class where a set course is ridden under the allotted time with no faults. Scores for each part will be judged as any USEA show. Final scores will be totaled and lowest score wins.
- e) See the SCUEC website (http://scupstateequine.com/events/springfling/) for links to Dressage tests

**The OLD GUARD HOUSE**: Originally built as a market and guard house in 1860, it was later converted to a library in 1911. It now serves as the main office and gift shop of the Pendleton Historic Foundation. We are located in the center of the Pendleton Village Green. Stop be for a visit sometime.

**WOODBURN:** A graceful 4-story plantation antebellum house (circa 1830) located just off of Hwy 76 near Pendleton. Built by Charles Pinckney who was lieutenant Governor of SC. It became a model livestock and racehorse farm. Now owned by the Pendleton Historic Foundation it is open for tours and events.

**ASHTABULA:** A historic plantation (circa 1825) and part of the Pendleton Historic District. Locate a few miles east of the Town of Pendleton it is a significant example of a "Lowcountry" plantation. It served as a tavern on the stagecoach road from Pendleton to Greenville and now is owned by the Pendleton Historic Foundation acting as an antebellum museum. It is open for tours and events.

JENKINS HOUSE & KIRKLEY FARM: Recently purchased by the Pendleton Historic Foundation is currently under renovation. Located on Cherry St. in Pendleton it was built in 1837 by the Civil War surgeon Dr. William Jenkins who used it as his residence and medical office until 1880. It also operated as a farm known as Kirkley Hill. Restoration plans can be seen on our website.
